Manufacturer	Place of manufacture	
KWH Pipe Sverige AB	Däckvägen 12, Borås	

Product covered by the licence

Type of product	Standard	Specific rules
Plastics piping systems for non-pressure underground drainage and sewerage made from polypropylene (PP)	Normative document EN 1852-1:1997	INSTA SBC 1852-1

Specification of product

Ø 110 – 200 mm, PP pipes, dim group 1, S16 SN4 and S 13,3 SN8 (PP-HM), buried in ground within the building structure and outside the building structure (application area code "UD")

Confidential information according to the enclosure

The licensee above is hereby given permission to use the INSTA-CERT mark on or in connection with products, which fulfil the requirements of the standard or the normative document specified above (what is said in this document about INSTA-CERT mark will also be valid for marks defined in relevant SBC). The certification licence is valid on the condition that the licensee complies with the "General rules for certification by partners of INSTA-CERT" (GRC) and the specific rules applying to certification of products of the type mentioned. The licensee is obliged to indemnify INSTA-CERT partners of any claim for damages or any other expenses to which partners may become liable as a result of injuries caused by a product manufactured or sold by the licensee. This also applies to defective or faulty products.

The licence is valid for one calendar year and is automatically renewed for one year at a time, unless the licensee or member of INSTA-CERT gives at least three months notice to the contrary.

The licence is not transferable.

MEMBER OF INSTA-CERT

SP Sveriges Provnings och Forskningsinstitut

Lennart Månsson
